

CORNER PASSER 3 ON 2 SIG

DESCRIPTION

3 on 2 system drill

SETUP

- o Two teams form up in groups of three on both sides of the coach. When the coach chips the puck off of the end boards to start to play one player from each team head to their attacking zone safe corner as the other four players battle for the puck. Each time a team recovers the puck, they must make a pass to their player in the corner before attacking the net.

TIPS FROM THE COACH

- o - Players have to keep their feet moving to try to get open. Defenders may not attack the corner passers when they have
